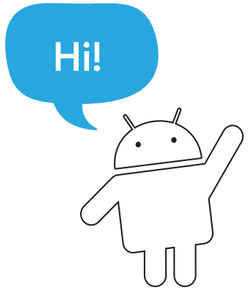
FAIRPHONE

Change is in your hands

To learn more on how we're changing the industry go to www.fairphone.com/story

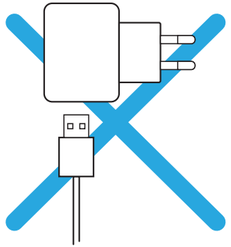
0000-0000-000000-0005

New to Android?



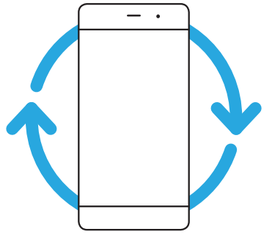
Don't worry, we'll go through it with you, step by step. Check out www.fairphone.com/androidsetup

No charger, less electronic waste



We don't include a USB-C cable and power adapter because you probably already own one. If not, order at www.fairphone.com/accessories

Care for the planet



Recycling your old phone is a great way to show you care about fairer electronics. Learn how at www.fairphone.com/recycle

Designed to open

With the screwdriver in this box, you can take extra care of your phone. Find out more at www.fairphone.com/support
